Habitica: Contributed PRs to increase test coverage

Education

Thinkful • Fullstack Web Development, Jan - May 2017
Completed intensive, six-month course on modern full-stack JavaScript development. Learned industry best practices and practical software development standards by collaborating several hours every week with a senior web developer.

Boston College • Ph.D., Political Science, 2009 - 2015

Work History

Northern Illinois University • Visiting Assistant Professor, 2016 - 2017
Developed and taught both graduate and undergraduate courses, mentored graduate students.

Boston College • John Marshall Postdoctoral Fellow, 2015 - 2016
Developed and maintained the website for the John Marshall Project (Adobe Experience Manager). Jumpstarted and directed the JMP Undergraduate Fellowship program. Taught freshman and junior level undergraduate courses.

American Fiber Systems • Network Operations Technician, 2003 - 2008
Provided network monitoring and troubleshooting for a nationwide fiber optic network. CCNA and Network+ certified.
